Festival Classes

A Festival class normally lasts about an hour, with approximately six performances. Participants (and family members) should plan to remain in the Concert Hall for the whole hour to hear everyone perform. You are welcome to attend as many classes as you wish. Please maintain quiet voices in the hallway to be courteous to other classes that may be in session while you are arriving or leaving. Video recording is permitted. However, please turn off any electronic sounds that occur during recording. Still photos may be taken at the end of the class. Please turn off cell phones. If you are expecting a call, please stay in the corridor outside the concert hall and wait to re-enter between performers. **YOU MAY ONLY VIDEO OR PHOTOGRAPH YOUR OWN CHILD.**
