Harp Category
Revised 1/21**

**Young Musicians Festival:
Harp Category**

Memory is strongly suggested but not required.

Popular music is not allowed.

Pre-Primary Guidelines: Juniors should be no more than eight years of age and have studied no more than one year.

Concerto Event: Contestants may play one movement of any standard concerto with or without accompaniment. No additional music is required. Points accrue as a separate event, unless the entrant is a senior, in which case they can be added to the total of other YMF events.

Students may enter more than one event: Harp solo, Harp Concerto, Harp Ensembles, Composition, other instrumental Festivals, etc. For each category points accrue as a separate event, unless the entrant is a senior, in which case they can be added to the total of other YMF events.
